

INDEPENDENT AUDITOR'S REPORT

To the Members of

A2Z Waste Management (Badaun) Limited

Gurgaon

Report on the Financial Statements

1. We have audited the accompanying standalone financial statements of A2Z Waste Management (Badaun) Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2016, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act; safeguarding the assets of the Company; preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Re: [A2Z Waste Management (Badaun) Limited] ('the Company')

Annexure-I

Referred to in paragraph (1) Report on Other Legal and Regulatory Requirements of our report of even date

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The fixed assets have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of verification of the fixed assets is reasonable having regard to the size of the Company and the nature of its assets.
- (c) The company does not holds any immovable property, so the provision of clause of 3(i)(c) of the order is not applicable
- (ii) The Company does not have any inventory. Accordingly, the provisions of clause 3(ii) of the Order are not applicable
- (iii) The Company has granted loans, secured or unsecured to companies, firms and other parties covered in the register maintained under Section 189 of the Act. and with respect to the same:
 - (a) In our opinion, the rate of interest and other terms and conditions on which the loan has been granted are not prejudicial to the interest of the company.
 - (b) The principal amounts are repayable on demand and since the repayment of such loans has not been demanded, in our opinion receipt of the principal amount is regular; and
 - (c) There is no overdue amount in respect of loans granted to such companies, firms and other parties.
- (iv) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 with respect to the loans, investments, guarantees and security.
- (v) The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) To the best of our knowledge and belief, the Central Government has not specified maintenance of cost records under sub-section (1) of Section 148 of the Act, in respect of Company's products/ services. Accordingly, the provisions of clause 3(vi) of the Order are not applicable.

- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, , service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues as applicable, have not been regularly deposited by the company with the appropriate authorities and there has been significant delays in large number of cases. According to the information and explanations given to us, undisputed amounts payable in respect thereof which were outstanding at the year-end for a period of more than six months from the date they became payable are as follows:

Annexure - II to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of A2Z Waste Management (Badaun) Limited ("the Company") as of 31 March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

A2Z WASTE MANAGEMENT (BADAUN) LIMITED

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

[All amounts in Indian Rupees, except share data including share price, unless otherwise stated]

1. Nature of Operations

A2Z Waste Management (Badaun) Limited ('A2Z' or 'the Company' or 'SPV') is the wholly owned subsidiary of A2Z Green Waste Management Ltd. (Formerly A2Z Infrastructure Limited). It was incorporated at National Capital Territory of Delhi and Haryana on November 10, 2010 for providing Waste Management Services.

The Company's main business primarily would include Door to door collection, intermediate transportation, and Engineering sanitary land fill.

2. Statement of Significant Accounting Policies

a) Basis of preparation

The Financial Statements have been prepared to comply with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified). The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use

b) Use of estimates

The preparation of financial statements in conformity with India GAAP requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities at the end of reporting period. Although these estimates are based upon management's best knowledge of current events and actions, uncertainties about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets and liabilities in future periods.

c) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue from service contracts

Revenue from service contracts are recognised pro-rata over the period of the contract as and when services are rendered.

Interest

Interest is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

d) Fixed Assets

Fixed assets are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended

use. Borrowing costs relating to acquisition of fixed assets which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

e) Depreciation

In accordance with the requirements of Schedule II of the Companies Act, 2013, useful lives of the assets have been taken as:

Particulars	Useful Life
Building	30 Years
Office Equipment	5 Years
Plant and Machinery	15 Years
Computers	3 Years
Furniture and Fixtures	10 Years
Vehicles	8 Years

Garbage containers are depreciated on straight line basis over their estimated useful life of 7 years. Fibre reinforced plastic bins ('FRP Bins') are depreciated at the rate of 100% on straight line basis over their life of a single year.

f) Impairment

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

g) Retirement and Other Employment Benefits

i) Retirement benefits in the form of Provident Fund is a defined contribution scheme and the contributions are charged to the Profit and Loss Account of the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective trusts.

ii) Gratuity liability is defined benefit obligation and is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The scheme is funded with an insurance Company in the form of a qualifying insurance policy.

iii) Accumulated leave, which is expected to be utilised within next twelve months, is treated as short term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long term employee benefit for measurement purposes. Such long term compensated absences are provided for based on actuarial valuation using the projected unit credit method at the year end. The Company presents the entire leave as a current liability the Balance sheet, since it does not have an unconditional right to defer its settlement for twelve months after the reporting date.

iv) Actuarial gains/losses are immediately taken to profit and loss account and are not deferred.

h) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the year they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

i) Foreign currency translation

Foreign currency transactions

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

Exchange Differences

Exchange differences arising on the settlement of monetary items, or on reporting such monetary items of company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

Forward Exchange Contracts not intended for trading or speculation purposes

The premium or discount arising at the inception of forward exchange contracts is amortised as expense or income over the life of the contract. Exchange differences on such contracts are recognised in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or as expense for the year.

j) Inventories

Inventories are valued as follows:

(i) Raw materials, Stores and spares

Lower of cost and net realizable value. However, materials and other items held for use in production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on weighted average basis.

(ii) Finished goods

Lower of cost and net realizable value. Cost includes direct labour and a proportion of manufacturing overheads based on normal operating capacity. Cost is determined on weighted average basis.

Net realisation value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

k) Segment Reporting:

Since the Company's business activity falls within a single business and geographical segment i.e. waste Collection & processing, there are no additional disclosures to be provided under Accounting Standard 17- 'Segment Reporting'.

l) Leases

Where the Company is the lessee:

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term are classified as operating leases. Operating lease payments are recognized as an expense in the Profit and Loss account on a straight-line basis over the lease term.

Where the Company is the lessor:

Assets subject to operating leases are included in fixed assets. Lease income is recognised in the Profit and Loss Account on a straight-line basis over the lease term. Costs, including depreciation are recognised as an expense in the Profit and Loss Account. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the Profit and Loss Account.

m) Income Taxes:

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and deferred tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each balance sheet date the Company re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

n) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average numbers of shares outstanding during the year are adjusted for bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

o) Government grants and subsidies

Grants and subsidies from the government are recognized when there is reasonable assurance that the grant/subsidy will be received and all attaching conditions will be complied with.

When the grant or subsidy relates to an expense item, it is recognized as income over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate.
Where the grant or subsidy relates to a fixed asset, its value has been treated as deferred income which is recognised in statement of profit and loss on a systematic and rational basis over the useful life of the fixed asset.

p) Derivative Instruments

The Company enters into certain derivative financial instruments to manage its exposure to risk arising from changes in interest rate and currency risk. The Company has adopted recognition and measurement principles for hedge accounting as enunciated in Accounting Standard (AS) 30-Financial Instruments: Recognition and Measurement issued by the Institute of Chartered Accountants of India for accounting of cross currency interest rate swaps taken to hedge currency and interest risk arising from foreign currency external commercial borrowings. Consequently, to the extent these hedges are effective, gain/loss arising on mark to market valuation of cross currency interest rate swap is recorded in the hedging reserve account.

q) Provisions

A provision is recognised when the Company has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

r) Cash and Cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

s) Deferred Revenue Expenditure (Unamortised Loan processing fee)

Costs incurred in raising funds are amortised equally over the period for which the funds are acquired. This has been reflected in the financial statements under the head "Other current assets".

Note 22: Income taxes

Current Tax

The Company does not have any taxable income for the year ended March 31st, 2016 under the Income Tax Act, 1961. Accordingly, no provision for income tax has been made in these financial statements.

Deferred tax

The Company follows Accounting Standard (AS-22) "Accounting for taxes on Income" as notified by Rule 7 of the Companies (Accounts) Rules, 2014. Due to accumulated losses, the Company has deferred tax asset with loss as a major component. Since there is no convincing evidence which demonstrates virtual certainty of realization of such deferred tax asset in the near future, the Company has not recognized deferred tax asset on such timing differences.

Note 25: During the Year ended March 31, 2011, a consortium comprised of A2Z Infra Engineering Limited (formerly A2Z Maintenance & Engineering Services Limited), the parent company of A2Z Green Waste Management Limited (Formerly A2Z Infrastructure Limited), M/s Bhumika Transport and Burns Environmental and Technologies (P) Ltd., Sri Lanka has been awarded a project under a tender floated by C&DS, U. P. Jal Nigam ('UPJN') inviting proposals for Development of Municipal Solid Waste Management (MSW) Facilities i.e Processing and Disposal of MSW on Public Private Partnership (PPP) basis for a concession period of 30 years for the city of Badaun in the state of UP in terms of the letter of Award dated August 11, 2010.

The Scope of work under the project includes:

- Development, finance, construction and operation & maintenance of the MSW Processing Facility with composting as one of the main processes including segregation
- Development, construction and operation and maintenance of the Landfill Facility

It was proposed that the facility be set up to achieve the goal of scientific disposal of solid waste. It was also proposed that the project be set up under a Special Purpose Vehicle (SPV). Therefore A2Z Waste Management (Badaun) Limited was incorporated as a wholly own subsidiary of A2Z Green Waste Management Limited (Formerly A2Z-Infrastructure Limited) for execution of the project on November 10, 2010.

For the construction of facilities for Processing & Development of MSW an agreement has been entered between A2Z Waste Management (Badaun) Limited and C&DS, U.P. Jal Nigam on 21st January 2011.
