Accordingly, the disclosures pertaining to stock options granted by the Company under the aforesaid Schemes and as required under the applicable provisions of the Companies Act, 2013 and the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021, are provided herein below.

A. Relevant disclosures in terms of the 'Guidance note on accounting for employee share based payments issued by the ICAI or any other relevant accounting standards as prescribed from time to time:

Members may please refer to Note No. 27 of the Standalone Financial Statements of the Company for the Financial Year 2023-24.

B. Diluted Earnings per share (EPS) pursuant to issue of shares on exercise of options:

Employee Stock options are not considered to be dilutive based on the average market price of Ordinary Shares during the period.

Since there is a loss for the reporting period potential equity shares are not considered as dilutive and hence Diluted EPS is same as basic EPS.

C. Details related to Employees' Stock Option Scheme:

ii) Method used to account for the Schemes

The fair value at grant date has been determined using the Black- Scholes model which takes into account the variables such as volatility, risk free rate, expected dividend yield, expected option life, market price and exercise price for the calculation of fair value of the option. On Consolidated basis the total employee compensation cost as per fair value method for the financial year 2023-24 is INR 77.06 Lakh (2022-23 – INR 107.79 Lakh)

iii) Where the company opts for expensing of the options using the intrinsic value of the options, the difference between the employee compensation cost so computed and the employee compensation cost that shall have been recognized if it had used the fair value of the options shall be disclosed. The impact of this difference on profits and on EPS of the Company shall be disclosed.
